360-30337

**WREATH PROTEA**  
360-30336

**CUT GREENS EXOTIC-RB**  
360-13817

**Wreath Care:**

Upon arrival, immediately remove from wreath from box. Use a spray bottle filled with water to mist your wreath lightly. This will nourish the flowers. Repeat the spraying up to three times a day. Keeping the wreath away from excessive heat and direct sunlight will prolong the life of the flowers. After the flowers begin to fade, cease spraying, and let the wreath dry naturally.
